- B. Should the shaft of any arrow touch two colors, or touch (without cutting through) any dividing line between scoring zones, that arrow shall score the higher value of the zones touched. If an unmarked hole cannot be located, the arrow will be assumed as a miss with no score.

G. An arrow imbedded in another arrow (Robinhood) on the scoring face shall score the same as the arrow in which it is imbedded. Archer may apply for NFAA Fellowship of Robinhood if previous arrow is lodged in the highest scoring area of the target.
