9/18/2011: Outdoor Range closed. Indoor League.

**Club News**

Our lease at the outdoor range has ended and the final removal of items is near completion. Except for special arrangements for cleanup the outdoor range is now closed.

The club still has funds set aside for the purchase of new target butts for the indoor range.

Leagues and indoor shoots are planned for this fall and the specifics will be posted as soon as they have been determined.

If you are interested in future leagues; please email us with the type of league you're interested in and we will start putting a list together and set it up.

For membership forms please email us and we will get that out to you.
